PALMS

WE make a specialty of the most popular varieties suited to this section, all sizes, pot-grown up to five or six feet, for outdoor planting or house decoration.

The lowest prices named are for plants generally from three-inch pots and about two years old.

Latania Palm

Phoenix Palm

Phoenix or Date Palm.

This family includes several varieties which are particularly desirable for planting out in this section, being hardy; also well suited for house decoration, and of the easiest culture. Price, 25 and 50 cents, up to \$1.00 and \$2.00 each.

Latania Palm

Latania Borbonica.

Chinese Fan Palm. The most popular of the fan palms, well suited for house decorations or outdoor culture. Price, 25 and 50 cts; \$1.00 and \$1.50.

Pandanus Utelis, screw pine. A striking and handsome plant, quite distinct from other palms in foliage. Price, 50 cents to \$1.00.

Phoenix Palm

*Kentia Palm*

Chamerops Fortunii and *Gracilis*.

Two handsome species of fan palms quite hardy in South Florida, well suited for either conservatory or open ground. Plants, 10 to 12 inches, 50 cents each.

Kentia Balmoriana and *Fosteriana*.

Two choice varieties for house culture, with dark rich foliage. 25 to 50 cents, \$1.00 to \$1.50.

*Areca Palm*

Areca Leutescens.

A charming plant for decoration, bright green foliage and golden stems. Small plants 25 to 50 cents each; larger, \$1.00 and \$2.00 each.

*Pandanus Veitchii*

Pandanus Veitchii

Pandanus Veitchii.

One of the finest decorative plants grown, leaves beautifully striped with pure white, stands our winters with slight protection. Price of plants, 10 to 12 inches, 75 cents each; larger, \$1.50 to \$3.00 each.

Sago Palm

Sago Palm

Cycas Revolutum.

Well known and the most popular plant we grow, producing a crown of dark green pinnate leaves, hardy throughout Florida, slow of growth and always scarce. We offer a good stock and good bargains in them. Sizes 75 cents to \$5.00 each.

Other Palms

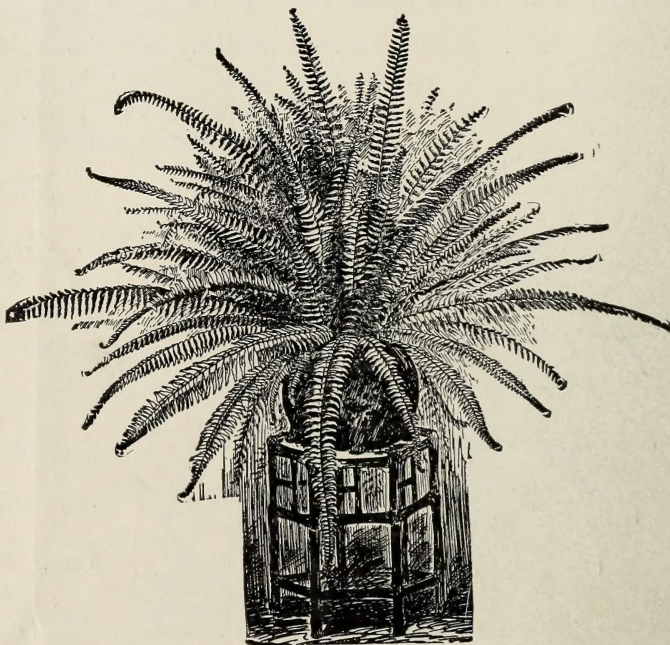

We have a number of additional varieties of Palms, which our space does not allow us to mention. Will supply six varieties of Palms, 12 to 18 inches, for \$3.00, our selection. Larger or smaller plants at comparative prices.

FERNS

We have a large stock of well grown, beautiful Ferns, comprising the kinds known to succeed here, and in 2½ inch pots to half-barrel tubs, all of easy culture, succeeding best in light wood soil, moisture and partial shade.

Boston Fern

Well known popular Sword Fern, admirably suited to this section. It stands the Winters outdoors with us and is a valuable decorative plant for all purposes. We have a large stock, all sizes, at very low prices. 10, 25 and 50 cents and \$1.00 each; large specimens, from \$2.00 to \$3.00. Plants from 2½-inch pots \$5.00 per 100.

Boston Fern

Nephrolepis Cordata Compacta

A narrow leaved variety of the *Sword Fern*, producing tubers on its roots. This is an exceedingly handsome variety, with narrow dark green foliage and up-right habit. We offer a large stock of this choice Fern at prices same as the Boston Fern.

Nephrolepis Davallioides.

A grand decorative plant and a strong grower, with ends of fronds beautifully crested, a rare variety. Price, 25 to 50 cents and \$1.00 each.

*Nephrolepis
Cordata
Compacta*

Nephrolepis Washingtonia.

Giant Sword Fern. The fronds of this variety attain the height of six feet. A very effective plant for the background of Fernery, or for specimen plants. 25 to 50 cents and \$1.00 each.

Nephrolepis Duffii.

A beautiful little species, attaining a height of 12 to 14 inches, sometimes called the "Pigmy Sword Fern." Price, 15 and 25 cents; \$1.00 per doz.

Ostrich Plume Fern

Ostrich Plume Fern*Nephrolepis Rufescens.*

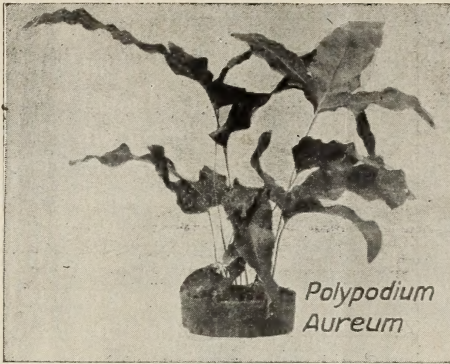

This rare Fern is the handsomest of the Sword Fern family; the fronds in good specimens are from three to four feet, finely and beautifully cut as to resemble an Ostrich plume. Although rare and high priced, we have worked up a good stock and offer the same at very moderate prices. 25 to 50 cents each; larger, \$1.00 to \$2.00 each. Small plants, \$2.50 per dozen.

*Adiantum
Cuneatum*

Adiantum Cuneatum*Maiden Hair Fern. Adiantum.*

Of these we have several varieties. The favorite among those best known is *A. Cuneatum*. They all have the characteristic hair-like stems. Small plants, 15, 25 and 50 cents each; three varieties, 50 cents, or \$2.00 per dozen. Larger plants, 75 cents and \$1.00 each.

Polypodium Aurea

Rabbit-foot Fern. Large, strong foliage, more or less lobed, and of a distinct bluish color. Price, 15, 25 cents up to \$1.00 each. Small, \$1.00 per dozen.

Pteris Argyrea. Silver Fern.

Large, handsome foliage with broad white stripe through the centre of each frond; 15, 25 and 50 cents each.

Fern Balls. From Japan.

These balls are beautifully covered with a delicate little Fern which comes to us in a dormant state and is made to grow out by immersing in water and suspending like a hanging basket. 75 cents and \$1.00 each.

Salaginella Emilana.

A charming little new upright growing moss, with branching, feathery stems, very compact, exceedingly handsome for table decoration. 10, 25 and 50 cents each; from 2½-inch pots, 75 cents per doz. \$5.00 per 100.

Mosses

Several other varieties, upright or running, indispensable for Fern dishes. 10 to 25 cents; \$1.00 per dozen assorted.

Ferns and Mosses

Collections assorted. Our selection from 2½-inch pots, per dozen 75 cents; per 100, \$4.00. Larger sizes, for decoration, \$6.00 per dozen.

CRINUM AMABILE.—Immense bulbs with crowns of large drooping leaves. Flowers in very large umbels, often as many as fifty large blossoms on a stalk; white, broadly striped pink. 25 to 50 cents and \$1.00 each.

CRINUMS.—In several other varieties, all of which do well here. Flowers varying from pure white to deep pink and striped. 15 to 35 cents each; three varieties for 50 cents; \$1.50 per dozen.

VARIEGATED PINEAPPLE.—This is a novelty, with beautiful striped foliage, red, yellow and green, fruit also variegated and of the smooth cayenne variety; very rare. Nice strong pot-grown plants \$1.00 each.

ROSES.—Our collection comprises only a few of the old and newer varieties which we have found best adapted to our soil and climate, after years of trial. Plants we now offer are

strong blooming stock from the open ground, and if planted out in the fall or early winter and given good treatment will bloom nicely in the spring. Most varieties are best budded or grafted on some strong growing stock. Price on their own roots 25 cents each, \$2.50 per dozen; budded 35 cents each, \$4.00 per dozen. We recommend among the best Marechal Neil, Duchess of Albany, Capt. Christy, Climbing Devonensis, Rein Maria Henrietta, Fanny de Forest Gen. Jacquimi-

not, La France, Duchess de Brabant, Clothilda Soupert, Mme. Camille, Zelia Pradel.

ALTERNANTHERA.—For bordering walks or beds. May be planted at any time in summer or early fall. Two varieties, red and green and yellow and green. Requires frequent trimming to make it grow close and compact. Price, plants or cuttings sufficient to plant one yard of edging, 10 cents; five yards or more at 8 cents per yard.

Bedding Plants

In this section where our gardens and yards are wanted to make the best appearance in winter it is necessary to do much planting in late summer and fall, hence border and bedding plants are mostly set at that season. We offer quite a variety of such stock as Salvias, Lantanas, Cupheas, Russelias, Gailardias, Ageratums, Golfussias, Cocolobas, Penstemons, Pileas, Tradiscanteas, etc. Price, our selection of varieties, \$1.00 per dozen, \$5.00 per 100.
